

#### RhIG Instructions Following an Obstetrical Event

You have just had your blood drawn for testing before you are given an injection of RH Immune Globulin (RhIG).

Please follow these guidelines:

1. You must return for your injection within the next 7 days. We ask that you call the Outpatient Clinic the next business day, after your blood has been drawn. Please call 225-924-8550 to schedule an appointment for this injection. *(Please plan on being here for at least an hour.)*
2. Hours for injections are Monday – Friday, 8:00 AM through 3:30 PM ONLY (excluding holidays).
3. You will register and receive your injection in the Outpatient Clinic located in the Physician Office Building Suite 515.
4. After you receive your injection, you will be asked to stay in the waiting room for 20-30 minutes for observation.

***If you have any questions or concerns, please call Woman's Hospital Laboratory at 225-924-8550.***
