Megan Bardwell, RN and Kaitlyn Greenleaf, RN, Obstetrical Services, Woman’s

Much of the early focus surrounding the birth of a new baby is on mom, and rightly so. But, we know dad is important, too. Get dad’s perspective on parenting at Just for Dads, an all-male session. Practice diaper and clothes changing, holding, burping and more.

Stephen Sanches, MD, Pediatrician, The Pediatric Clinic, Experienced Dad

A nurse specializing in lactation will discuss the benefits of breastfeeding, review infant positioning and proper latch-on, offer suggestions for success and address common concerns about the breastfeeding process.

Nicole Fox, RNC, IBCLC, NICU Lactation Consultant, Woman’s

Bringing a new baby home means an adjustment for every member of the family – even the family pet. Join us to learn how to care for and help your pet adjust to live with a new baby. For those who don’t already have a pet, we offer tips on what to look for when selecting a family pet.

Stephen Lee, DVM, Sherwood South Animal Hospital and Patrick Ransom, Canine Training and Behavior Specialist, Camp Bow Wow

Car seats save lives and prevent injuries, but only when they are used correctly and consistently. Learn how to protect your precious cargo, beginning with the first ride home from the hospital.

Lexlee Overton, CPST, Attorney At Law and Crystal Pichon, Lexlee’s Kids Regional Coordinators for the Louisiana Passenger Safety Task Force

Choosing your baby’s childcare is one of the most stressful decisions you will have to make. It is also one of the most important. Do your research, ask the tough questions and choose wisely! Let us help you prepare.
