Holiday Projects 2024

Thanks to all volunteers who donated, shopped and wrapped for the Holiday Helpers family “adopted” by the Auxiliary. Each year, hospital departments choose families to provide gifts and meals for the holiday season. The Auxiliary has also participated every year since the program started.

Volunteer shoppers included: **Pam Beadle, Karen Bryant, Ginger Cloud, Rose Marie Fife, Kathleen Lovretich and Yvette Monette.**

Our other holiday project is the Christmas Stockings presented to new parents who deliver babies on Christmas Eve and Christmas Day. **Meridel Cimo** has been making the stockings for the last several years. This year she made 29! Thank you Meridel for this labor of love!

“Mask On” is HERE!!

All volunteers must accept or decline the flu vaccination (or bring documentation of having had one) as soon as possible.

Employee Health requires that flu documentation from your drugstore/clinic must include your full name and date of birth. You can provide a copy or send a screenshot/email to leda.tulk@womans.org.

Flu Shots are Still Available!

Employee Health

Monday – Friday

6:45 AM – 3:15 PM

(No appointment necessary)

“Mask On” period started **Friday, Dec. 1, 2023**. This means that if you have not received or have declined the flu vaccine, you will need to wear a mask **upon entering the hospital at the beginning of your shift and continue to wear it until the end of your shift** (with the exception of time in the cafeteria or break room during meal or rest breaks).
