

Woman's Hospital

Plain Language Summary of Financial Assistance Policy

Woman's Hospital is a non-profit organization with a mission to improve the health of women and infants. It is a leader in women's and family-centered care. Woman's Hospital has a commitment to serve all women and infants and will not discriminate on the basis of age, sex, race, creed, color, disability, sexual orientation, or national origin when making a determination for financial assistance.

Who qualifies for financial assistance?

Eligibility for financial assistance is determined based on the number of persons in the household and annual family income as a percentage of the federal poverty level (FPL). Qualifying patients receive a full discount off of all hospital charges. Woman's Hospital patients with an income or adjusted income up to 300% of FPL. Adjusted income is calculated by subtracting the total out of pocket medical expenses incurred in the previous 6 months from the gross family income.
