

FY 2025 AT A GLANCE

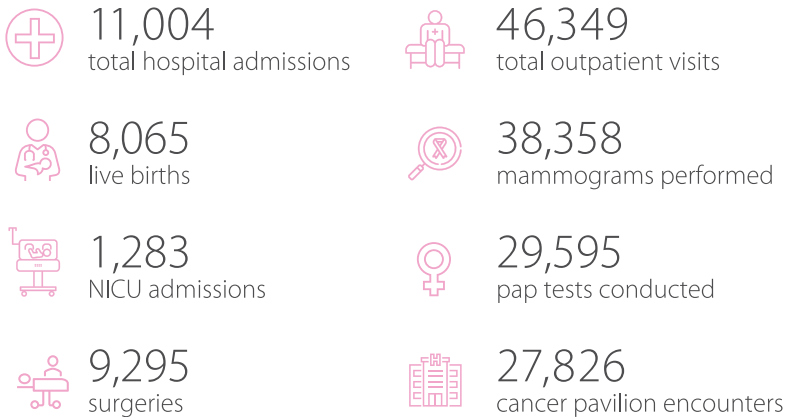

Outreach

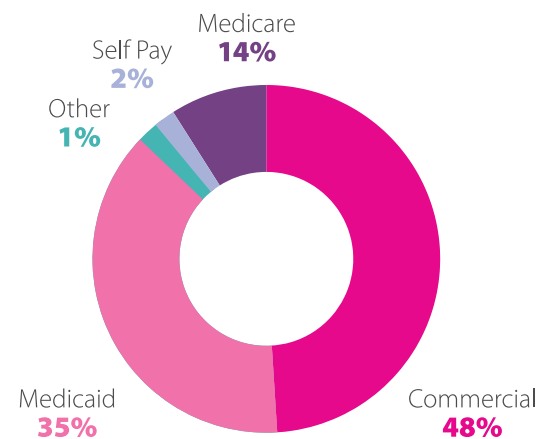

Woman's served patients from 63 of the 64 Louisiana parishes:

- We delivered babies from 44 parishes
- We cared for NICU babies from 39 parishes
- Treated cancer patients from 46 parishes
- Woman's Maternal-Fetal Medicine has 6 satellite locations across that state and had 13,690 high-risk pregnancy visits
- Woman's Mammography coach traveled to 33 parishes and performed 4,081 mammograms to primarily underserved patients
